## Our Partners

## Our Organization

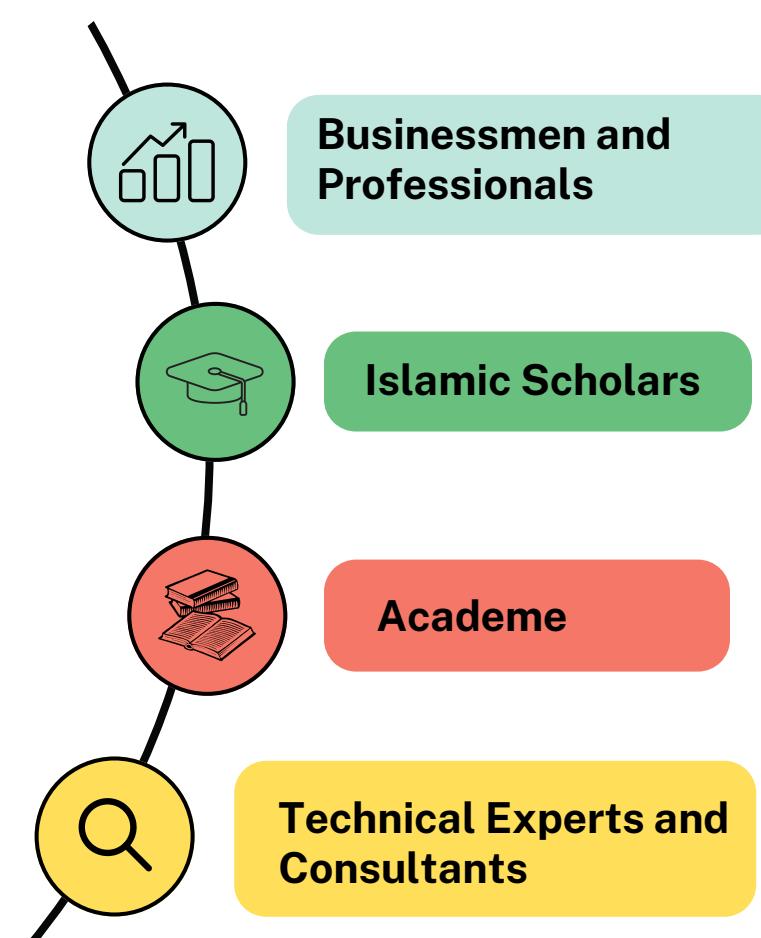

Halal International Chamber of Commerce and Industries of the Philippines, Inc. was founded on March 16, 2013, following a nationwide operation composed of Muslim Scholars, Professionals and Businessmen. It was formally registered in the Securities and Exchange Commission (SEC) on August 23, 2013, and has gained accreditation from the Philippine National Commission on Muslim Filipinos (NCMF) the same year.

Its inception was inspired and anchored on the basic tenets of business ethics in Islam which promotes freedom of economic enterprise. Islam basically allows any individual in an Islamic society to earn livelihood by starting, managing and organizing any kind of business enterprise within the limits set by the Shari'ah Law. By virtue of its accreditation from National Commission on Muslim Filipinos (NCMF), HICCIP, Inc. has become one of the preferred government-recognized halal certification body in the Philippines gaining recognition locally and abroad by Malaysia, Singapore, and Thailand to this date.

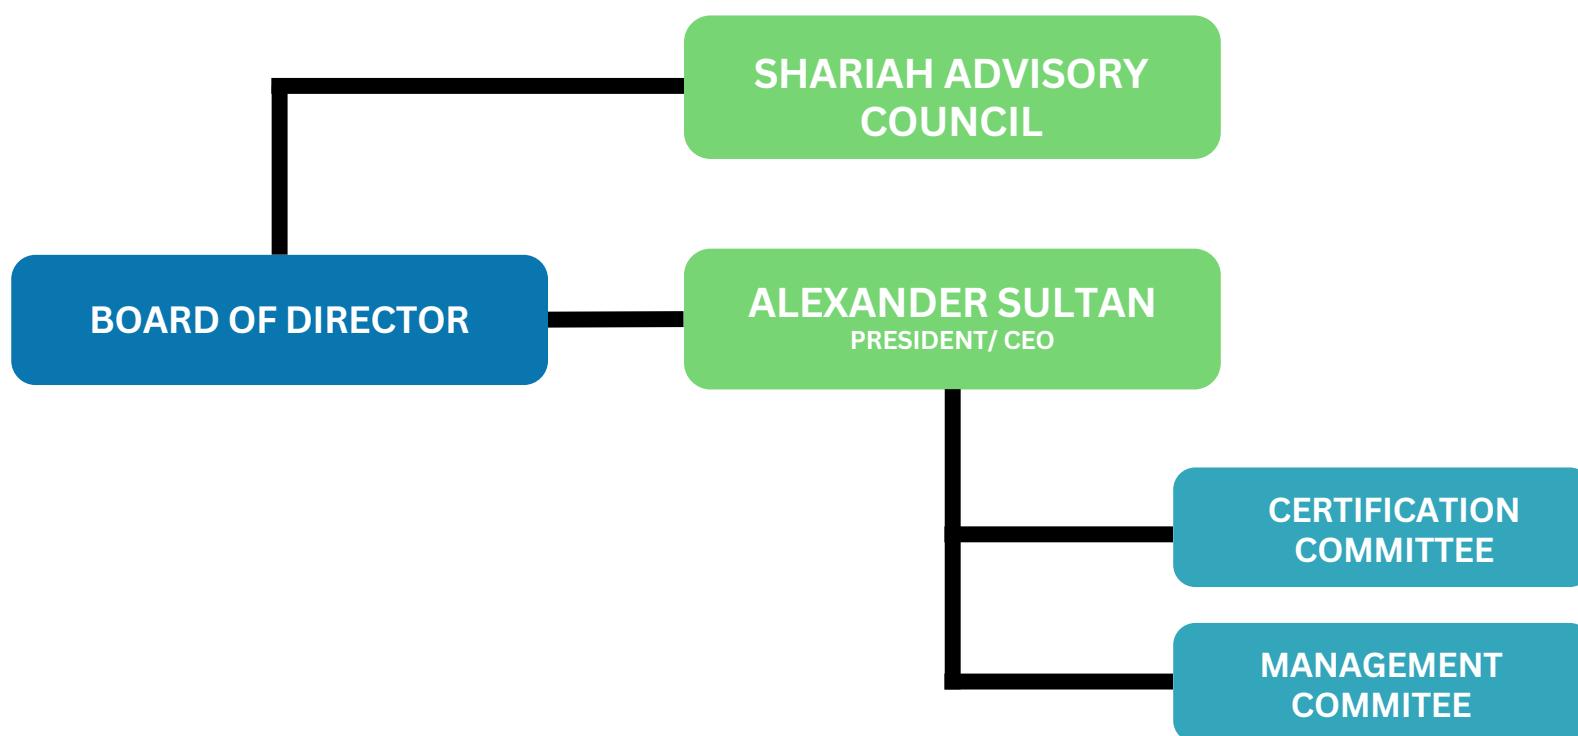

HICCIP is a non-profit organization, an office, and an address that is open to the Muslim world. Members and founders of this organization do not claim sole ownership; and While it is founded on Islamic beliefs, our organization follows non-exclusivity and non-discriminatory principles towards non-muslims that are interested to be part of HICCIP as client, member, or partner.

# What we do

Home / Services

## Halal Certification

As one of the leading Halal certifying body in the Philippines, we provide affordable and internationally recognized certification services to interested companies. Our team is dedicated to proliferate the Halal industry by way of Halal certification. We conduct inspections, trainings, and consultancy through our wide range of network, partners, and experts. Our Halal Certification Department is assuring the quality of a product base on the results of Auditors on-site inspection, Halal Management Committee study, Laboratories and Ulamah Council "Muslim Scholars" fatwa/rulings.

## Halal Business Promotion

As a chamber of commerce, we promote our client's certified products and establishments to investors, consumers, partners, and affiliates in different activities and events HICCIPI actively takes part in.

The pursuit of this policy has become even more convenient for the organization. It shall not only enlist the tri-media but it also effectively mobilize its Council of Ulama "Muslim Scholars" as well as its affiliates and supporters from the religious sector whose members enjoy support and moral ascendancy among Muslim communities not only in the Philippines but in other countries, especially South East Asia and the Middle East.

## Partnership and Membership

Our aim is to be a platform where different businesses in the Halal industry can conduct business matchmaking. This can be done by building a broader but stronger network through partnership and membership. We also actively participate in different events and activities with the hopes of securing different opportunities and also extending opportunities we can offer as well. Membership is open for muslims and non-muslims alike.

## Social Services

Our engagement is not only limited to clients and investors but also to members of different communities - with the help of our members and partners, we lend a helping hand and organize different social programs to help our fellow Muslims and other communities that are in need.

## Education Programs

With the help of our affiliates and members from the academe sector, we organize different academic activities, this includes raising Halal awareness among communities.

In partnership with different academic institutions, part of our program is to offer scholarships to students that are in need.

# Your Key to Global Halal Market

Halal certification is a delicate and sacred function that must be carried out with utmost diligence and constant fear of ALLAH in order to ensure that the product being certified is halal and tayyib (pure, whole some, and safe).

### What is Halal?

Halal is an arabic word that generally means things and actions that are lawful. For muslims, Halal is a diet and lifestyle that forbids the intake of harmful substances and the performance of unlawful acts according to Shariah Law.

The conceptualization of Halal has evolved into a standard that that connotes positive attributes that promotes cleanliness, safety, and quality that will benefit all consumers and producers, muslims or non-muslims alike.

As an industry, the Halal market and trade continues to expand as the demand for Halal foods and services increases globally. In the Philippines, the government continues to maximize the opportunities of the booming global halal market by encouraging entrepreneurs to explore and invest in.

### What is Halal Certification?

Halal certification is a delicate and sacred function that must be carried out with utmost diligence and constant fear of ALLAH in order to ensure that the product being certified is halal and tayyib (pure, whole some, and safe).

Halal certification is a passport for investors to penetrate the ever-growing Halal industry and cater the rising demand for Halal foods and services all over the world.

Potential Clients must undergo the strict process of certification through physical inspections and product analysis to determine if its systems meet the requirements of Halal standards. Nevertheless, HICCIPI assures to make this process easy with just simple steps. See details below for more information about our Halal certification process.

Food, beverages, livestocks, cosmetics, and medicine, as well as establishments like hotels, restaurants, tolling companies are some products and services that we Halal certify. More importantly, we value customers' satisfaction.

To this date, HICCIPI has certified more than 300 companies as Halal.

## Why HICCIP?

HICCIP, Inc. is one of the leading government-recognized certification body in the Philippines that offers affordable and internationally recognized solutions to halal needs while ensuring the credibility and quality of services we provide.

With a team composed of various professionals and experts from the different sectors, HICCIP's **Halal Certification Department** ensures the quality assurance of the products according to the rules established by HICCIP based on Shariah Law and Philippine National Standard on Halal. The accreditation from NCMF mandated HICCIP to allow the use of Halal mark for clients that are found to have undergone the stringent halal certification process and found to be Halal compliant based on the results of Auditors on-site inspection, Halal Management Committee study, Laboratories and Ulamah Council "Muslim Scholars" fatwa/rulings.
